

Diagram illustrating the structure of a ledger account. The account is divided into two main sections: **ACCOUNT** (left side) and **STATEMENT** (right side). Below the account section, there are two rows of boxes representing data entries. The first row has a box labeled "Account" followed by a box. The second row has a box labeled "Account" followed by two boxes. To the right of the statement section, there are five boxes of varying sizes representing data entries.
